

I was dreaming **Deep sleep**

I was dreaming that I was **In love?**

I dreamt that I was a cactus **In Love?**

In Love with a porcupine

**In love?** **A porcupine?**

*(Look at each other)*

Dreaming that I was a cactus **You dreamt that I was a porcupine?**

*(Look at each other again)*

The beauty of collaboration **But why do I have to be a porcupine?**

Do you want to be the cactus? **A cactus is stately**

*(Look at each other again)(both sigh)*

You be the cactus **No, no it was your dream**

I didn't have this dream; it's a Poem

**Poem? It's not true it's**

Fiction Fiction

**Fiction?** **It's causing friction**

Do you want to be the cactus *(nods yes)*

*(Joe gestures with hand)\*\*\*\*\***(Switch sides!!!!!!!)***

I dreamt that I was a cactus **In love with a porcupine**

Watching the moon rise

**Watching the moon rise**

The moon the desert floor

**Moon beats** **the deserted floor**

In my broad house **I was leaving**

I dreamt that you had just left **The door**

I heard the lament of the tired screen door

Wishing you well and a safe journey

**Wishing you well and a safe journey**

A dreaming cactus rooted to the stars

**A dreaming cactus** **bound to the earth**

I leaned a little forward

**Forward**

Urging the world to turn

**Turn** **its back**

I relaxed my hold on it

**The Moment you relaxed your hold on it**

It spun

**Spun out of control**

And the moon

Yes

**Moon was dazed**

It wandered in a violent path

**Violent path from star to star**

I want to keep dreaming

**Go back to sleep**

I want to keep dreaming that I am a cactus in love with a porcupine

**I want to keep dreaming that I am a porcupine in love with a cactus**
